GENERAL AGREEMENT

I am at least 18 years of age. All of the information I have given is true and complete. Should an unaltered dog be placed with me, I agree to have it neutered within one month of adoption or a date agreed upon in the Terms of Adoption Contract signed at the time of adoption. This dog will reside in my home as a pet. I will provide it with adequate food, water, shelter, training affection and medical care. I understand that the LSBMDR is a referral service and is not responsible for the accuracy of information received about the temperament, habits, or physical condition of dogs available for adoption. I understand that it is my responsibility to see and evaluate the dog for myself before agreeing to adopt it.

I acknowledge that there are many risks associated with being around dogs, including the risks of being bitten, scratched jumped upon, knocked over, chased tripped, infected with

a disease, injured or frightened, and I voluntarily assume such risks on behalf of myself, my children and my guests. Despite my knowledge of these risks, and despite the fact that I understand that these risks might arise out of the negligent handling of animals by LSBMDR, its members, directors or officers, I have voluntarily agreed to participate in the LSBMDR adoption program, and fully accept the risks that go along with that participation. With these risks in mind, I agree to waive, release and covenant not to sue over any and all rights or claims for damages which I or my heirs may have against the LSBMDR, it members, directors, and officers, arising from any property damage or personal injury which I, my children, and my guests might sustain as a result of participating in the adoption process, even though such rights of claims might arise out of negligence of LSBMDR, it's members, directors or officers. This waiver is binding upon myself, my children and my guests. I agree to inform my guests of the existence and contents of this waiver.

I hereby grant LSBMDR the right of first refusal for any dog I adopt through LSBMDR. I will not relinquish ownership, abandon, or dispose of such a dog in any way without first contacting the LSBMDR and allowing the organization the opportunity to exercise its right of first refusal. In exercising its right of first refusal, I agree that the LSBMDR may repurchase the dog from me for the price I paid LSBMDR for the dog, not including the portion of the adoption fee that represents the charitable contribution.

I am in full agreements with these terms of adoption.
